

Important Notes

Welcome, Class of 2029!

We are excited to have you join the AZCOPT family!

This is the AZCOPT Block Schedule and it should be kept in an easily accessible location for frequent review. Your schedules are created for you and classes, labs, and other **activities may change on a weekly/daily basis.**

Occasionally, but hopefully rarely, a new revision may be released (partially or in whole) due to a major change or a change that students might easily miss (ie. a significant change in lecture locations).

Make sure you are referring to the latest revision (would be announced via email). As required, ensure that you check your email at least daily.

Notes: Student Government Association and Class Council Elections occur Week 5 - get to know your classmates!

How to read a block:

Some blocks may have additional special notes, ie. Mandatory, pre-recorded, special times, etc.

Example:
OPTOG 1510
Clinical Services, Theory & Methods I
Sahuaro A
Roe

COURSE ####
Course Title
Group Letter (For labs)
Location
Course
Director/Coordinator or Faculty Responsible

All labs and workshops are mandatory per AZCOPT Uniform Course Policies

Photographers: Submit your photos of Arizona! If you have taken a photo in Arizona that you would like to potentially be featured on the cover page of a block schedule, send them to Dr. Woo!

(No photos with identifiable people or photos that are not yours, please. Photos related to the season (ie. Su, Fa, Wi, Sp) are preferred!) Let me know where the picture was taken! Submitter's name and class year/faculty/staff will be included (unless you prefer it not to be).

Common abbreviations that may be used in the Block Schedule (not all inclusive):

AH = Auditorium Hall
CH = Cholla Hall
CW = Cactus Wren
EI = Eye Institute
GH = Glendale Hall (This is where the Testing Center is located!)
TI = Therapy Institute
TBD = To Be Determined

[Campus Map: https://www.midwestern.edu/documents/glendale-campus-map](https://www.midwestern.edu/documents/glendale-campus-map)

*Schedules and regulations subject to change in accordance to Local, State, and/or Federal guideline changes in conjunction with requirements by the Accreditation Council on Optometric Education.
