Required information per MWU Student Financial Services (SFS) Compliance Team.

1) Exam Blocks: Students are not required to remain in the testing center or classroom for the entire block period on exam days. Once a student has completed the examination and submitted all required materials, the student may leave the exam room in accordance with Testing Center procedures or as otherwise directed by the course instructor.

2) Asynchronous and Independent Study: Students complete coursework, readings, and assignments on their own schedule without live or real-time class meetings.
